ORIGINAL EQUIPMENT MANUFACTURING AGREEMENT

This Agreement is made on February 10, 2027 between Cedarline Devices, Inc., an Indiana corporation ("Manufacturer"), and Brookmere Instruments, Inc., a Delaware corporation ("Buyer").

1. Products and orders. Manufacturer shall produce non-medical laboratory sample trays to Buyer's written specifications. Each accepted purchase order shall state quantity, delivery date and shipping destination. Forecasts assist planning but do not constitute binding orders. Manufacturer shall accept or reject an order within five business days.

2. Prices and payment. The unit price is $24 for orders of at least 500 trays. Buyer shall pay undisputed invoices within thirty days after receipt. Prices exclude sales taxes and freight. A price change requires a signed amendment and does not affect orders already accepted.

3. Inspection and warranty. Buyer may reject nonconforming trays by written notice within fifteen days after delivery, identifying the defect. Manufacturer shall replace verified defective trays at its expense. The workmanship warranty continues for twelve months after delivery; damage caused by misuse is excluded.

4. Duration. The parties' signatures make this Agreement binding on February 10, 2027, but manufacturing services commence March 1, 2027. The Agreement expires at 11:59 p.m. Eastern Time on December 31, 2028, unless terminated earlier under Section 5. There is no automatic renewal. Continued discussions or shipment of an existing order do not extend the expiration date.

5. Default and outstanding orders. A party may terminate for a material breach not cured within thirty days after written notice. Orders accepted before expiration remain binding until fulfilled, but no new order may be accepted under this Agreement after expiration. Payment and warranty obligations for those orders survive.

6. Designs and confidentiality. Buyer retains ownership of its drawings and specifications. Manufacturer may use them only to perform accepted orders and shall return or securely destroy them on request, except for one legally required archival copy. Confidentiality continues for three years after expiration.

7. General provisions. Indiana law governs this Agreement. Notices shall be delivered by tracked courier to the parties' principal offices. Changes, including an extension of the term, require signatures from both parties. Neither party is authorized to bind the other.
