CUSTODY AND RECORDKEEPING AGREEMENT

This Agreement is effective April 1, 2027 between Northwind Orchard Fund Trust, a Delaware statutory trust ("Fund"), and Silver Estuary Custody Corporation, a New York corporation ("Custodian").

1. Services. Custodian shall maintain securities records, reconcile cash balances and settle transactions on the Fund's authenticated instructions. Investment decisions remain exclusively with the Fund. Custodian shall not lend, pledge or otherwise use Fund assets for its own account.

2. Authorized persons. The Fund shall maintain an updated list of authorized officers. Custodian may rely on instructions received through the agreed secure portal until it receives written revocation. Unclear instructions shall be referred back to the Fund before execution.

3. Initial and renewal terms. The initial term begins April 1, 2027 and ends March 31, 2028. Thereafter this Agreement automatically renews for successive one-year terms unless either party's written non-renewal notice is received by the other at least ninety calendar days before the current term ends. No new signature is required for a renewal. A late notice takes effect at the end of the following renewal term unless both parties agree otherwise in writing.

4. Fees. The annual fee is $18,000, payable in equal monthly installments. Custodian may propose a fee change for a renewal term by giving at least 120 days' written notice before that term begins. A proposed increase does not take effect without the Fund's written acceptance; otherwise the existing fee continues for any renewal.

5. Early termination. Either party may terminate for a material breach that remains uncured thirty days after written notice. Non-renewal under Section 3 is separate from termination for breach and does not require a breach. There is no general right to end the current term for convenience.

6. Transfer of records. Within fifteen business days after termination or expiration, Custodian shall provide account records and cooperate with a successor appointed by the Fund. The Fund shall pay fees accrued through the effective end date. Confidential account information remains protected afterward.

7. Notices and law. Non-renewal and breach notices must be sent by tracked courier to each party's principal office; delivery confirmation determines receipt. New York law governs. Amendments must be signed by both parties, and this Agreement supersedes prior discussions about these services.
